Schroder Alternative Solutions Commodity Fund A Accumulation SGD Hedged / LU0319973649 / A0M1NY / Schroder

Investment strategy

The fund will be exposed to a range of commodity sectors and will be primarily invested in the agriculture, metal, and energy complexes. The fund will invest predominantly in a range of commodity derivative related instruments, principally comprising of futures and other commodity linked derivative instruments, and, to a lesser extent, equities and cash. The fund will not acquire physical commodities directly. The fund will neither employ leverage nor engage in short selling.

The Fund's investment objective is to generate growth in the long term through investment in commodity related instruments globally. Indirect investment in commodities may cause the fund to face market risk from the value of the underlying asset together with geopolitical, supply, currency exchange rate and interest rate risks.
