Investment strategy

The fund invests at least 70% of its assets, in government and corporate debt securities from emerging markets, including those that are denominated in local or globally traded major currencies ("hard currencies"), nominal and inflation linked debt securities. The fund may also invest in money market instruments on an ancillary basis. The fund invests at least 50% of its assets in securities of issuers with favourable environmental, social and governance (ESG) characteristics. In actively managing the fund, the Investment Manager uses in-house research and investment capabilities to identify suitable opportunities across bond issuers, sectors, geographies, and security types. This may include an assessment of bond issuers' creditworthiness, macroeconomic factors, and valuations.

Investment goal

The fund aims to achieve capital growth over time and provide income.
