DWS ESG Convertibles LD / DE0008474263 / 847426 / DWS Investment GmbH

Investment strategy

To achieve this, the fund invests worldwide in convertible debentures, warrant-linked bonds, warrants and convertible preference shares (convertibles) of reputable domestic and foreign issuers. Equities may be added in. When selecting the suitable investments, environmental and social aspects as well as the principles of corporate governance ("ESG standards") are of key importance for the implementation of the fund's sustainable investment strategy. Issuers that generate their revenues from activities related to power generation or other use of nuclear energy and natural gas as well as from the extraction of uranium or natural gas may be acquired for the investment fund.

Investment goal

The fund is actively managed. The fund is not managed in reference to a benchmark. The fund promotes environmental and social characteristics and is subject to the disclosure requirements of a financial product in accordance with article 8(1) of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector. More ESG information is available in the sales prospectus and on the DWS website. The objective of the investment policy is to generate capital appreciation.
