Amundi Eastern Europe Stock - A / AT0000932942 / 093294 / Amundi Austria

Investment strategy

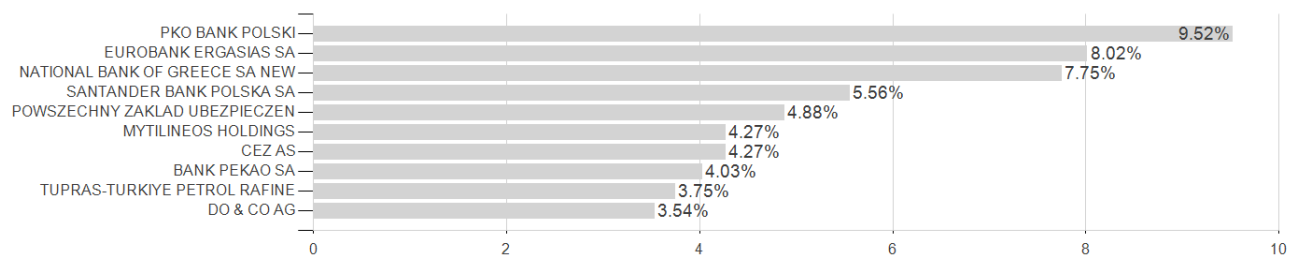

The Amundi Eastern Europe Stock is an equity fund that invests primarily, i.e. at least 51% of the Fund's assets, in equities of companies that have their registered office and/or part of their business in the countries of Central, Eastern and South Eastern Europe (including the successor states of the former Soviet Union and Turkey). Equities of other issuers based in countries bordering the Mediterranean can be added. Up to 10% of the Fund's assets may be invested in shares of other investment funds. As part of the investment strategy, up to 34% of the Fund's assets may be invested in derivative instruments (calculated on the basis of current market prices) which are used for hedging purposes. As a result, there may be an increased risk of loss of the Fund's assets, at least temporarily.

Investment goal

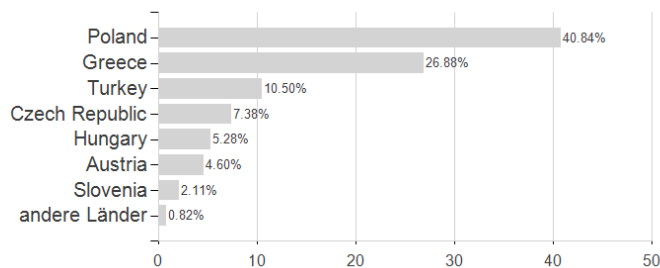

This product has a financial investment objective and a sustainable investment objective. The Amundi Eastern Europe Stock is a financial product promoting ESG characteristics in accordance with Article 8 of the Disclosure Regulation.
