### Investment strategy

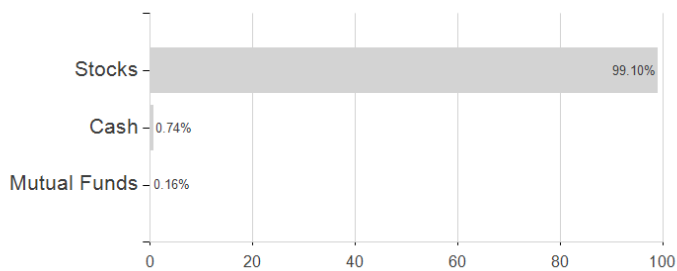

The Fund invests at least two-thirds in equities and equity related securities of companies active in the extraction, production, processing and trading of chemicals, building materials, metals and other raw materials, timber and paper products, containers and packaging as well as companies in the energy resources sector, listed on global stock exchanges. In order to achieve its objective, the Fund will take positions whose weightings diverge from the benchmark or invest in securities which are not included in the benchmark. The investments of the Fund may deviate significantly from the components and their weightings in the benchmark.

### Investment goal

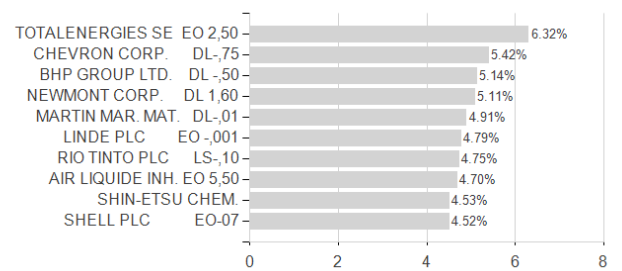

The Fund aims to achieve a combination of income and growth by investing in companies listed on global stock exchanges. The Fund aims to outperform the S&P Global Natural Resources Index (USD) benchmark (before charges).
