March Int.The Family Businesses Fd.I EUR / LU0701411166 / A1KCUG / FundRock M. Co.

Investment strategy

The Sub-Fund may invest in equities, and occasionally in American Depositary Receipts ("ADRs") and Global Depositary Receipts ("GDRs") which may not embed derivatives. The Sub-Fund may also hold ancillary liquid assets (i.e. bank deposits at sight, such as cash held in current accounts with a bank accessible at any time) up to 20% of its net assets for treasury purposes. The Sub-Fund will not invest more than 10% of its net assets in undertakings for collective investment. The Sub-Fund may use financial derivative instruments for hedging and/or for other purposes, including options, forwards, futures and/or swaps on Transferable Securities and/or other eligible assets as described in the prospectus.

Investment goal

The Sub-Fund aims to seek long term capital appreciation by investing mainly in listed equity securities of companies that were initially set up by one or more families, in which one or more families still own a significant stake (i.e. at least 15%) or in which the management of one or more families are involved
