Nomura Japan Strategic Value Fd.R EUR / IE00BW38TQ30 / A2AF7B / Bridge Fund Mgmt.

Investment strategy

The fund shall invest primarily in equity and equity-related securities in Japan and also up to 30% of the value of the fund may be invested in non-Japanese companies that have business activities in Japan. The fund will target companies that are considered to have good prospects for growth including those going through significant business changes. The fund is considered to be actively managed in reference to the index (Topix Index) by virtue of the fact that it uses the index for performance comparison purposes.

Investment goal

Any income the Fund generates will be accumulated and reinvested on behalf of investors. The fund aims to achieve capital growth by investing primarily in shares of companies of all sizes traded or listed in Japan.
