### Swisscanto (LU) Equity Fund Sustainable Global Water GT (ISIN: LU0866297715)

Swisscanto (LU) Equity Fund Sustainable Global Water GT (hereinafter «Product») is a unit class of the sub-fund Swisscanto (LU) Equity Fund Sustainable Global Water (hereinafter «Fund»), a sub-fund of the umbrella fund Swisscanto (LU) Equity Fund.

The Fund is managed by Swisscanto Asset Management International S.A., Luxembourg (management company), a company of the Zürcher Kantonalbank Group.

## Objectives and investment policy

The investment objective is to generate long-term capital growth along with an adequate return by investing worldwide in the shares of companies in the water sector that are compatible with the Sustainable approach.

### Important features:

The fund invests at least 80% of its assets in equity securities of companies that provide technologies, products or services related to the water value chain. Companies in the sectors of water supply, water technologies, water treatment, water services, water purification and water recycling are targeted in particular. The fund is classified under Art. 9 SFDR.

The securities are selected on a discretionary basis using a consistent investment process (active management). With regard to portfolio composition, the selection of stocks and the associated weightings are focused on companies from the MSCI World TR Net. The portfolio composition may deviate significantly from this benchmark index. The

investment policy is to outperform the benchmark index. The Asset Manager may at any time deviate – significantly or insignificantly, positively or negatively – from the benchmark index by actively overweighting or underweighting individual securities and sectors based on market conditions and risk assessments.

Fund units are issued and redeemed basically on every bank business day in Luxembourg.

Earnings and profits of the unit class are not distributed, but reinvested.

### Additional important information:

The total commitments of the fund may not amount to more than 210% as a result of the use of derivatives (max. 100%) and temporary borrowing (max. 10%).

Recommendation on holding period: this fund is appropriate for investors with a long-term investment horizon (more than five years).
