Swisscanto (LU) Portfolio Fund Responsible Balance (EUR) BT (ISIN: LU0999466799)

Swisscanto (LU) Portfolio Fund Responsible Balance (EUR) BT (hereinafter «Product») is a unit class of the sub-fund Swisscanto (LU) Portfolio Fund Responsible Balance (EUR) (hereinafter «Fund»), a sub-fund of the umbrella fund Swisscanto (LU) Portfolio Fund.

The Fund is managed by Swisscanto Asset Management International S.A., Luxembourg (management company), a company of the Zürcher Kantonalbank Group.

Objectives and investment policy

The investment objective is to preserve the capital on a long-term basis and to generate an adequate return in EUR by investing in bonds and shares worldwide.

Important features:

The fund invests in shares, bonds and money market instruments. The equities portion is between 20% and 65%. Up to 50% of the investments can be made indirectly (via target funds). The target funds are selected in accordance with the requirements set out in the prospectus. At least 2/3 of the investments are selected by systematically taking into account ESG criteria in accordance with responsibility requirements. The fund is classified under Article 8 of Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector («SFDR»).

The securities are selected on a discretionary basis using a consistent investment process (active management). With regard to portfolio composition, the selection of stocks and the associated weightings are focused on companies from the tailored benchmark index. The

portfolio composition may deviate considerably from this benchmark index. The composition is set out in the sales prospectus. The investment policy is to outperform the benchmark index. The Asset Manager may at any time deviate – significantly or insignificantly, positively or negatively – from the benchmark index by actively overweighting or underweighting individual securities and sectors based on market conditions and risk assessments.

Fund units are issued and redeemed basically on every bank business day in Luxembourg.

Earnings and profits of the unit class are not distributed, but reinvested.

Additional important information:

The total commitments of the fund may not amount to more than 210% as a result of the use of derivatives (max. 100%) and temporary borrowing (max. 10%).

Recommendation on holding period: this fund is appropriate for investors with a medium-term investment horizon (three to five years) or a longer-term investment horizon.

Risk and reward profile

Lower risk < 1 2 3 4 5 6 7 > Higher risk

The historical data used for calculating the risk and profit category cannot serve as a reliable indicator of the future risk profile.

The risk and profit category shown may very well undergo changes.

Assignment to a category may change over time.

The lowest risk category cannot be equated with a risk-free investment.

Reasons for being assigned to the risk and profit category:

- Yield curve
- Interest-rate premium

- Price fluctuations in the share market and company-specific price fluctuations
- Foreign currency risks

There is no capital guarantee and no capital protection.

Further risks that are essential for the fund and not adequately covered by the indicator above:

- Credit risks, because substantial investments are made in interest-bearing securities where repayment default is possible.
- Operational risks and risks in connection with the safekeeping of assets.
